

**REMARKS**

**Allowable Subject Matter – Claims 3-17 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.**

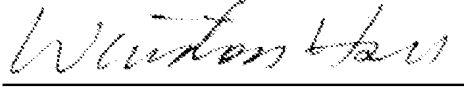

5           Claim 1 is amended to include all the limitations of claim 3, which was found allowable by the Examiner. Claim 3 is correspondingly canceled and the dependencies of claims 4 and 6 are amended to depend on claim 1. No new matter is entered. In this way, claim 1 should be found allowable and all the dependent claims should be found allowable for being dependent upon an allowable claim. Allowance of claims 1-2 and 4-22 is  
10 respectfully requested.

**Conclusion:**

          Thus, all pending claims are submitted to be in condition for allowance with respect to the cited art for at least the reasons presented above. The Examiner is encouraged to  
15 telephone the undersigned if there are informalities that can be resolved in a phone conversation, or if the Examiner has any ideas or suggestions for further advancing the prosecution of this case.
